

## House of Hiranandani bags the Best Residential Project Award for “Lake Verandahs”

**Bengaluru, August 16, 2017:** House of Hiranandani, a leading real estate conglomerate, developing iconic integrated life spaces in India, is pleased to announce that Lake Verandahs has bagged the ‘Best Residential Project’ award at the recently concluded Asia Real Estate Excellence Awards 2017 in Singapore.

Located off Bannerghatta Road, near a serene lakeside sanctuary with breath-taking views of the city, Lake Verandahs is the one of the most architecturally acclaimed tower in Bengaluru. Its magnificent positioning scale and detailing ensures that it is a landmark in our community. Lake-facing 3 BHK apartments offer a true experience of opulent living. The project encompasses within its fold luxury and functionality through its exquisitely designed apartments interspersed with lively, sparkling water bodies. It offers a serene ambiance replete with ideal amenities to service all your lifestyle needs.

“We feel honored to receive this award as it reflects our commitment towards quality and innovation in architecture. It has always been our endeavor to give the best quality product to our customers”, said **Mr. Prashant Mirkar, Vice President- Marketing & Sales, House of Hiranandani.**

House of Hiranandani at Bannerghatta is set within a tranquil lake side sanctuary offering stunning views of the city. Only 12 kilometers from Bengaluru’s central business district, it is in close proximity to great restaurants, shopping and educational institutions of international repute.

Each individual tower is an architectural marvels in our community with opulent apartments, designed to give residents a blissful living experience. The scenic views and beautifully landscaped surrounding from our apartments offer the most breath taking ambiance that will transcend you to the next level of living, rejuvenating your senses.

The RERA registration for the same is in process.

### About House of Hiranandani

Since inception into the urbane terrains of India, House of Hiranandani has altered the way living spaces are designed, thereby transforming the ethos and aesthetics of real estate in India. Pillared by a unique approach to designing and planning, the company invests heavily in research and development ensuring that each of its developments surpass industry benchmarks and redefine value engineering and design. The buildings and supporting infrastructure are designed to ensure low maintenance, yet add value to the lives of our residents. The selection of materials is robust to ensure longevity and is passed only after stringent quality checks. Today, House of Hiranandani has carved a niche for itself and is synonymous with innovation, transparency, quality construction, superior design and customer satisfaction.
