

Hiranandani School students perform phenomenally well in Year II of their International Baccalaureate Diploma Programme (IBDP)

July 15, 2021, Mumbai: Amidst the pandemic, the International Baccalaureate Diploma Programme (IBDP) was conducted for Year 2 students across the country. Students from Hiranandani Upscale School (HUS) and Hiranandani Foundation School (HFS) pursuing the IB program performed exceptionally well and have raised the benchmark of the school's outcome of teaching and training. Their dedication and performance has been par excellence and the grades achieved by these focused and goal oriented students are well deserved and worth recognition. After months of diligence and enthusiasm towards their education, the students were thrilled to receive their final grades through an online portal.

Out of 16 students who appeared for the examination, four students scored a grade above 40 and have escalated HFS's school average by three points to 35 IB points.

Among these young achievers, Surya Karthikeyan from HUS, has attained a complete score of 45 in his IBDP examination, with seven points in his seventh subject, summing the score to 52. Moreover, he is the recipient of the National Merit Scholarship Corporation, USA, which selects from among a talent pool of 1.5 million student applicants. He has been awarded with a full ride scholarship to the University of Florida. As for HFS, Alisha Imtiaz has scored a 44 score in her examination, and we're pleased to announce the outcome of the students' IB examinations.

The credit for such an applauding performance is extended to the teachers and professors who had meticulously delivered lectures online and made sure the concepts were well understood by individual students. Despite the drawback of the prevailing pandemic, collaborative teacher-student interaction was undertaken. Furthermore, sessions with regards to feedback and consultation for Extended Essay and the Theory of Knowledge were conducted. Professors made wise use of the time window when the lockdown was lifted in the state by providing practical education and completing those sessions as well. The school made skillful and vigilant efforts to use technology for preparing, teaching and assessing the performance of the students.

Aaron Jacob, Director, HUS International, Chennai stated “We are extremely proud of the distinguished performance exhibited by our students. We have always managed to be above the IB world average, but this year we have surpassed ourselves, especially as we are a non-selective school and also after becoming an IB continuum school. The class average is 34 and 4 students have got a score above 40 and one student among them has scored 45/45. The exemplary performance is the result of dedication and hard work put in by our students and teachers even during the challenging times of Covid-19. The results reinforce our commitment to create and nurture the best talents who will make a difference globally with their contribution.”

Mrs. Kalyani Patnaik, Head of School, Hiranandani Foundation School, Mumbai said: “We are delighted that our IBDP Year 2 students have done fantastically well with their exam results, especially in a time of the pandemic situation. We are really proud to see that the students have achieved such pleasing grades. Hiranandani Foundation School International has proved again that dedication and learning end at resulting in excellent outcomes. Our School average has increased consistently every year. After months of hard work and dedication, the students were thrilled to receive their final scores online. 7 students have scored above 40. The school average has increased by 3 points to 35 IB points.

HFS International is dedicated to quality education and the current results are testimony to that. The school lays emphasis on holistic development and creates a conducive learning environment that helps in enhancing the learning outcomes. We are proud that our IB graduates will go to prestigious Universities across the globe to pursue their dreams. We wish them luck.”

Mr. Surendra Hiranandani, Chairman and Managing Director, House of Hiranandani said: “The IBDP conducted has helped aspiring students to have a vision for achieving their goals. The programme provides a broad range of intellectually stimulating and collaborative skills that assist the younger generations to mould their personality and prepare them for various personal and professional choices. We take pride and congratulate the educational professionals in efficiently training the students to achieve their aspirations and wish the young minds good luck for the bright future that awaits the exhibition of their skills.”

About Hiranandani Upscale School (HUS):

Hiranandani Upscale School (HUS) is located within the sprawling House of Hiranandani integrated community at Old Mahabalipuram Road (OMR), Chennai. The school infrastructure at HUS, has been designed keeping in mind the ideology and objective of fostering holistic growth and learning for the children. The wide and balanced curriculum is designed in a way that will support individual needs of the children. So, they have access to multi-media rooms, audio-visual rooms, outdoor games, libraries, state-of-the-art laboratories and of course, one for imagination – a specialized arts department. These facilities help gauge their interest early so that subsequent efforts can be made to ensure that the children excel in their field of choice.
